

SAN RAFFAELE

11th

OCT & RETINA FORUM

**Mark your calendar
for April 1st-2nd, 2027**

Join us for the 11th edition of the SAN RAFFAELE OCT & RETINA FORUM, that will be held in Milan, next April 1st – 2nd April, 2027. Two days filled with exciting discussions and cutting-edge topics, including OCT, OCTA, ultra-widefield imaging, clinical trials, new drugs, groundbreaking laser treatment. This is your golden chance to experience firsthand the latest retinal imaging technology.

Spread the word and extend this invitation to your colleagues!

**BE SURE YOU REGISTER, SUBMIT
YOUR ABSTRACT AND STAY TUNED**
